March 27, 2010 - 9:00 am – 4:00

Nedra Denison, nationally known award winning pyrographic artist and author will be teaching a gourd decorating class at the Belen Art League, 509 Becker Ave., Belen, NM. The class is a full day of fun and learning for people of all skill levels...from the person who doesn't even know what a gourd is to those of you who have done some gourd decorating but want to learn more. The project will be an "Autumn Leaves" gourd. You will learn how to woodburn and use gourd ink dyes to custom blend the fiery colors.

Class size is limited to 10 so register early. Your space will be reserved with the deposit on a first come, first served basis so if you are interested register early. Class fee is \$50. There is a \$15.00 material fee which includes the use of all the materials and a cleaned gourd. Students should bring a woodburner with variable temperature and assorted tips and a heat embossing tool if they have. If you don't have one some will be available in class to use and/or purchase. If you don't have a woodburner you can borrow one from Nedra but you must let her know when you register that you need a burner so she can be sure to have one for you to use. If you want to register, a deposit of \$25 is required to hold your place and must be received no later than 30 days prior to the class. If class is full when your deposit is received you will be put on a waiting list. If you must cancel and someone takes your place in class your deposit will be refunded.
